

YOUTH TOUR EXPERIENCE 2024 QUALIFICATIONS AND PROCEDURES

Each summer, Paulding Putnam Electric Cooperative sponsors two students from our membership who attend an Ohio or Indiana school for the annual Youth Tour trip to Washington, D.C., in June. Selected winners can learn about our nation's Capital, the government, and rural electric cooperatives while seeing the historical and cultural sights of the Washington, D.C., area. Many tours are VIP visits to areas not available to the general public. More than 1,800 students from up to 46 states will travel to Washington for the weeklong experience. There is an opportunity for students to make life-long friendships and valuable contacts.

The program is coordinated by Ohio Electric Cooperatives (OEC) and Paulding Putnam Electric Cooperative (PPEC). **All transportation, lodging, meals, and admission costs are included.** For safety considerations, a registered nurse, doctor, and dentist are always on call at the hotel. This year, the Youth Tour will take place June 16-24 for Indiana and June 15-21, 2024, for Ohio.

ONCE SELECTED AS A YOUTH TOUR DELEGATE

- Two students will be chosen to represent PPEC on the all-expense paid Youth Tour to Washington, D.C., in June. Winners will be notified within one week of interviews.
- Ohio's Electric Cooperative (OEC) will follow up with the winning representatives and their parents via telephone and email.
- The PPEC candidate is strongly encouraged to compete during the Youth Tour for election to represent Ohio/Indiana on the National Rural Electric Association (NRECA) Youth Leadership Council. Well-qualified, well-prepared candidates who are friendly, outgoing, and positive have an excellent chance of being selected by their fellow students for this additional honor. Only one representative from each state is elected to the council. Information is available on NRECA's website <https://www.electric.coop/our-organization/youth-programs/youth-leadership-council/>
- Representatives will be asked to return the following year to share their experience.
