BETTER BROADBAND
for Western Ohio

TEST YOUR INTERNET SPEED!

Are you getting the speed you're paying for? Help determine the need for reliable, high-speed broadband internet in our Western Ohio communities.

Help Ohio get better broadband

Participation is the first step. By testing the internet speed at your home or business, you can help us push for the high-speed, reliable internet that

our communities deserve.

It takes only minutes to complete. Your results will guide crucial decisions and initiatives.
